For a Statewide Business Coalition To Support Immigration Reform

Nevada Employers for Immigration Reform

Memphis BBQ
2250 E. Warm Springs Rd., Las Vegas, NV

Wednesday, June 20, 2:00PM-4:00PM

**Please join us for a meeting to introduce and plan strategy for a
Statewide Business Coalition in Nevada**

**For
Sensible Immigration Reform in the 110th Congress.**

The purpose of this meeting is to bring businesses together to organize a Nevada coalition to advocate for sensible reform of our immigration system through political action. The same organizing is going on in other states across the country and we will all unite as a broad coalition in the months to come. The economies of both Nevada and the nation depend on a comprehensive immigration solution, passed this year.

The speaker for the event will be Tamar Jacoby, a senior fellow at the Manhattan Institute who writes extensively on immigration and citizenship. She is a leading voice in the media and elsewhere in favor of immigration reform, and is involved in proposals taking shape in Washington. The Economist called Tamar Jacoby a "Beacon of light in a foggy debate."

We will also share with you our very simple plan for political action.

This event is free of charge – Beverages will be provided.
